

## MARKHAM MIDDLE SCHOOL HEALTH CAREERS MAGNET

Important Dates to Remember for the Fall Semester 2019

### **Childhood Cancer Awareness**

**Due September 13, 2019**

September is Childhood Cancer Awareness Month. Search online for any articles about the diagnosis of childhood cancer. Create a file, such as Google Slides, Docs, or using Canva.com on the important information presented. Be sure to cite your source(s). Turn in to your homeroom teacher.

### **Health Career Overview**

**Due September 27, 2019**

Using Google Slides or Google Docs create a mini-presentation or report about four (4) different health careers. Type a brief summary of each career including information such as education required, responsibilities, and typical salary. DO NOT research information on general practitioners (doctors) or nurses. Once completed turn it in to your homeroom teacher.

### **Breast Cancer Awareness**

**Due October 11, 2019**

October is Breast Cancer Awareness Month. Search online for any articles related to the diagnosis of breast cancer. Create a file, such as Google Slides, Docs, or using Canva.com on the important information presented. Be sure to cite your source(s). Turn in to your homeroom teacher.

### **Diabetes Awareness**

**Due November 01, 2019**

November is Diabetes Awareness Month. Search online for any articles related to the types of Diabetes and how it may be prevented. Create a file, such as Google Slides, Docs, or using Canva.com on the important information presented. Be sure to cite your source(s). Turn in to your homeroom teacher.

### **Science Fair Project Proposal**

**Due November 22, 2019**

Every year, Magnet students work on science projects that will be showcased in our Science Fair. Please make sure you start looking for a topic or idea to design your project. The final project will be due early next semester.

### **Influenza Awareness**

**Due December 13, 2019**

Search online for articles related to the flu, such as what it is or how it can be prevented. Create a file, such as Google Slides, Docs, or using Canva.com on the important information presented. Be sure to cite your source(s). Turn in to your homeroom teacher.

Make sure you complete all of these Magnet Assignments.

- ☐ Monthly Medical Awareness (Sept, Oct, Nov, Dec)
- ☐ Health Career Overview (Oct)
- ☐ Science Project Proposal (Nov)
- **All Magnet assignments & Community Service count for 10% of your grade in each class.**
